

GRANT WRITING | FUNDS MANAGEMENT

Transtech's Grant Writing | Funds Management services enable our municipal and agency clients *of any size* to find potential funding sources, and to prepare competitive applications. Additionally, after funds are awarded to a client, Transtech can ensure compliance with state and federal funding requirements.

In the past few years, Transtech has obtained over \$100 million in funds for its clients' public works projects and transportation improvements.

Our grant writing services are enhanced by integration with engineering services to facilitate an integrated project design. This expedites project start-up and completion, and ensures compliance with funding requirements.

This service is so valued by our clients that our Funding Specialist is supported by several staff members including a Planning Specialist, Transportation Specialist, and an Administrative Analyst.

Transtech has helped clients secure funding from the following programs:

- SAFETEA-LU** (Safe Accountable Flexible Efficient Transportation Equity Act: A Legacy for Users)
- TCRP** (Traffic Congestion Relief Program)
- TDA 3** (Transportation Development Act - Article 3)
- AQMD-MSRC** (South Coast Air Quality Management District - Mobile Source Air Pollution Reduction Review Committee)
- AQMD-CMP** (Carl Moyer Memorial Air Quality Standards Program)
- CMP** (Congestion Management Program)
- STP-L** (Surface Transportation Program - Local)
- SRTS and SR2S** (Safe Routes to Schools)
- Call for Projects** by the Los Angeles County Metropolitan Transportation Authority (Metro)
- Caltrans Authorization to Proceed** (E-76)
- Proposition A & C Local Return**
