

## PROJECT | PROGRAM | CONSTRUCTION MANAGEMENT

Transtech has managed privately and publicly funded construction projects for more than (20) years. The breadth of experience and technical skill of our staff enable us to manage a wide variety of projects, ranging from major freeway interchanges to the restoration and rehabilitation of significant historical structures.

Transtech is experienced in Bid and Contract Administration. We ensure that all work is completed in accordance with: contract specifications, terms, conditions, state and federal laws and regulations, and client policy.

Our Project | Program | Construction Management portfolio includes:

Street projects	Reconstruction & rehabilitation
Traffic signals	Signing and striping
Facilities	Major infrastructure projects
Utilities
